## PROFILE

I am currently pursuing a bachelor's degree in Computer Science and Engineering. I am a newcomer to the cooperative culture, but ready to accept challenges and utilize my technical skills. In order to gain experience in the technical field, I would like to work in a reputable company that provides a platform to enhance my skills.

## PROFESSIONAL EXPERIENCE

### Prodigy InfoTech

Web Developer

01/2025 – present  
Remote, INDIA

As a remote Web Developer intern at Prodigy Info Tech, I was entrusted with a variety of tasks that honed both my front-end and back-end development skills. The internship focused on completing end-to-end tasks related to web application development, from creating user interfaces to managing databases and integrating APIs.

Utilized technologies such as **HTML**, **CSS**, **JavaScript**, and frameworks like **React** to build interactive, user-friendly interfaces, ensuring cross-browser compatibility and responsive design for an optimal user experience.
